

Recipe - chocolate slice

Ingredients & Instructions

▽ In bowl 1,

- Use a food processor to blend into a fine powder, 3 packets of your choice of biscuits for a base can be same or different eg: vanilla wine, krispies, arrowroot, gingernut, etc, few chunks ok but needs to be small enough to press into tray once all ingredients combined.
- Optional -> couple handfuls of crushed m&m's

▽ In bowl 2,

- 250 grams butter dissolved until liquid
- 1/2 cup of brown sugar
- 2 heaped tablespoons of cocoas
- 2 cans of watties baby apple sauce in the tins
- 1 teaspoon of vanilla essence
- Mix well then pour into bowl 1 and mix well again

▽ In biscuit tray,

- Press the mixture into the tray

▽ Topping,

▽ Melt 2 large blocks of your favourite chocolate using a bowl in boiling water method then pour evenly over the slice

▽ Refrigerate or freeze until hard then remove and slice.
